## **NARRATIVE**

On May 20th 2019 at approximately 1048 hours, I responded to an incident regarding a demonstration with four total members at [REDACTED]. I responded in full patrol uniform and driving a marked police car. I did not activate my (BWC/1) BWC and left it in buffering mode to comply with any 1st Amendment constitutional issues.

I spoke with Sgt. Parra #981 who told me the following: The above demonstration was an ongoing activity being handled through other channels. Sgt. Parra told me not to approach the demonstrators nor speak with their leader. My task was to meet with the security manager of [REDACTED] and memorialize today's event with an incident report.

I came on scene and saw only (S/1) 3 unknown demonstrators with a sign. There were no PA systems, bullhorns, or any other noise projecting device. S1 maintained a position off the sidewalk and inside [REDACTED] Plaza but far from any entrance or door. S1 did not block any access to [REDACTED] nor travel through the plaza to reach any entrance.

I met with the security manager, later identified as (RW/1) [REDACTED] through his California Driver's License. [REDACTED] pointed over my shoulder at S1 and told me the following: S1 had set up the sign and their position in the plaza at 0955 hours. Security staff approached S1 and asked them to leave but they refused. There were no physical nor verbal altercations. Security staff retreated back inside the lobby area of [REDACTED]. [REDACTED] asked me for an incident report to document that S1 was here again today.

I gave [REDACTED] a follow up card. I notified Sgt. Parra that S1 appeared to be peaceful and only 3 members with a sign.
